4-H Afterschool at East Meadows Elementary

Session A of 4-H Afterschool at East Meadows will begin on Tuesday, September 8th. We are excited to offer many new clubs as well as many old favorites. 4-H Afterschool is open to East Meadows students in Kindergarten through 6th grade. Session A clubs will be open to 1st through 6th grade students and we will invite our new Kindergarten students to join us in Session B that will begin October 26th.

In addition to the regular 5 week clubs offered through 4-H Afterschool, East Meadows students have the opportunity to participate in two different 10 week clubs that will take place this fall. The robotics club is from Learning Through Robotics (UVU) and the General's Academy is from Utah County 4-H. If your student elects to take advantage of these exciting new opportunities, they will be enrolled through Sessions A & B in those two clubs. See the fees for these clubs in the descriptions below.

4-H Afterschool is an opportunity for students to explore and learn outside of the classroom setting. They can develop new skills, make new friends, and learn more about a variety of interesting subjects. Clubs will open on Wednesday, September 2nd at 10:00 a.m.
