

4-H Afterschool at East Meadows Elementary

East Meadows Parents,

4-H Afterschool is a program that gives students a chance to try different things and have a safe place to be after school. Clubs start at 2:45 p.m. (2:00 p.m. on Mondays) in the lunchroom with a snack and activity. After snack time, students move to their clubs. Clubs will start February 12th. **We will be registering on Thursday, February 8, 2018 beginning at 10:00 a.m. ONLINE.** Clubs will close as they fill.

To register, just click on the 4-H registration link on the East Meadows Website. The password is mustangs.

All Things Present Club - Grades K-3rd

Attention Heart-Growers! Join our gifter's guild! Create nesting boxes, surprise balls, candy bar cards and Valentines extraordinaire!

Animal Art Club - Grades K-3rd

Do you love animals? Do you like to use your creativity? Join us as we create animal art with a variety of materials and art mediums.

Aviation Science Club - Grades 2nd-6th

Calling all pilots and flight engineers. Join us as we learn about the history of flight and how things can fly?

Chess Club - Grades K-6th

Come learn how to play chess or learn ways to improve your game for fun or competition.

Coding Club - Grades 2nd-6th

Come learn the basics of coding. Members will be enrolled in code.org to learn the vocab and techniques used in coding, while learning how some of their favorite games (such as Mine-craft and Flappy Bird) were created. Participants will have the opportunity to code their own game. Open to all grades with a computer login.

Crime Spy Discovery Club - Grades 2nd-4th

Investigate crime scenes with your top secret spy kit and learn the skills necessary to become a top detective and solve mysteries.

Discovering Dinosaurs Club - Grades K-3rd

Learn about a different dinosaur each week with stories, games, and activities. You will make a book of dinosaurs to take home at the end of this session.

Experiment with Science Club - Grades 2nd-4th

Learn and explore each week with a variety of science experiments. Learn with activities like growing crystals or making rainbow snow.

Exploring Science Club - Grades 3rd-6th

Participants will explore science from physics to chemistry with fun hands on projects.

Exploring Science Club - Grades K-3rd

Participants will explore science from physics to chemistry with fun hands on projects.

Games, Games, Games Club - Grades K-4th

Play games and explore STEM as we have fun! Come learn some new games and play some old favorites with your friends in 4-H.

Paper Crafts Club - Grades 3rd-6th

If you love to make things with your hands, the Paper Crafts Club is for you! Create cool crafts including origami, scrap booking and cut paper art. Make friends and have fun!

Pipe Cleaner Art Club - Grades K-6th

Make friends and have fun while learning how to create wild and crazy projects and animals with pipe cleaners.

Storybook Cinema Club - Grades K-3rd

Activate your imagination and create a Storyteller's Treasure Trove with Puppet Pals, Story Stones, & Campfire Tales.

**A BIG THANK YOU to our
2017-2018 East Meadows 4-H Ambassadors!**

They are a great help with 4-H snacks, activities and special events!
