

4-H Afterschool at East Meadows Elementary

We are so excited to begin our next Session of 4-H Afterschool! We will begin registration at 9:00 a.m. on Tuesday, February 7th online. Our next 5 weeks of 4-H Afterschool Clubs will begin Monday, February 13th. Click on the 4-H registration links found on the East Meadows web page to register for a club.

Because of Parent Conferences and a scheduled training for 4-H leaders, there are a couple of weeks that clubs will not meet in March. See Schedule below.

4-H Afterschool is open to East Meadows students in Kindergarten through 6th grade. 4-H Afterschool is an opportunity for students to use the "learn by doing" model to explore and learn outside of the classroom setting. Students will have the opportunity to develop new skills, make new friends, and learn more about a variety of interesting subjects.
